

**Leonard Cohen**  
**I'm your man**

If you want a lover  
I ..... you ask me to  
And if you want another kind of  
love  
I ..... a mask for you  
If you want a partner  
Take my hand  
Or if you want .....  
down in anger  
Here I stand  
I'm your man

If you want a boxer  
I ..... into the ring  
for you  
And if you want a doctor  
I ..... every inch of  
you  
If you want a driver  
.....  
Or if you want to take me for a  
ride  
You know you can  
I'm your man

Ah, the moons too bright  
The chains too tight  
The beast ..... sleep  
I've been running through these  
promises to you  
That I made and I could not keep  
Ah but a ..... a  
woman back  
Not by begging on his knees  
Or I ..... you baby

And I..... at your  
feet  
And I ..... your  
beauty  
Like a dog in heat  
And I ..... at your  
heart  
And I ..... your  
sheet  
I .....,  
please  
I'm your man

And if you've got to sleep  
A moment on the road  
I ..... for you  
And if you want to work the  
street alone  
I ..... for  
you  
If you want a father for your  
child  
Or only want to  
walk .....  
.....  
Across the sand  
I'm your man
